How It All Works

Sort through your wardrobe for good condition clothes, bags, shoes, hats, coats & jewellery.

On the day you pay a 10 euro entry fee [and get a free voucher] and receive vouchers for up to 15 items that you bring. You then browse the rails, pick some new treasures then exchange them for your vouchers.

If you don't have anything to swap ... never fear ... you can buy vouchers for 2.50 euro each.

You will be able to order refreshments and relax to music with friends in between swapping. You can also come and go throughout the day as we will be bringing out new stock every hour.
